Builder & Trade Service Guide

2026 SERVICE GUIDE · CASEY & CARDINIA

Photography · Aerial · Floor Plans · Film

WHAT WE BRING TO THE FRAME

Show the craft in every detail.

Finished work deserves images that show the whole achievement, from the overall architectural form to joinery, finishes and fine construction details. We create practical media for building-company portfolios, designers, specialist trades, award entries and proposals across Casey, Cardinia and nearby suburbs.

SINCE 2006

Local understanding, considered imaging and coordinated media.

WHAT WE OFFER

The right assets for the brief.

Property Snaps can create individual deliverables or coordinate the media needed for a complete campaign.

01

BUILDER PORTFOLIOS

Architectural interiors, exteriors and detail images for completed projects.

02

PREMIUM TWILIGHT

Expressive evening photography for standout façades and outdoor spaces.

03

DRONE PERSPECTIVE

Show scale, roof geometry, landscaping and the position of a completed project.

04

VIDEO SHOWCASES

Walkthroughs, progress coverage and short feature films for web and social media.

05

PLANS & VISUALISATION

Marketing floor plans, presentation layouts and CAD-style drafting support.

06

BRANDED MEDIA

Consistent output for tender documents, websites, brochures and award submissions.

HOW WE WORK

From brief to delivery.

01

TELL US ABOUT THE PROPERTY

Suburb, type, timing, planned channels and the assets you need.

02

AGREE ON THE SCOPE

We confirm the shoot approach, deliverables and the quote.

03

CAPTURE AND CREATE

Photography, aerial footage, drawing or editing according to the brief.

04

READY TO MARKET

Approved files supplied in agreed formats for use across channels.

VISUAL DIRECTIONS

Media with purpose.

Different perspectives are useful for different stories.

WHAT IS YOUR NEXT PROPERTY?

Let’s make it worth looking at.

Share the property suburb, timing and your marketing requirements. We will discuss an approach and prepare a tailored quote.
