WHAT WE BRING TO THE FRAME

The finishing touch is the image.

A beautifully finished pool or landscape project comes alive through its proportions, materials, planting and lighting. Property Snaps creates daytime, twilight, aerial and video media for pool builders, landscape businesses and outdoor-living specialists, including portfolio and industry award submissions.

SINCE 2006

Local understanding, considered imaging and coordinated media.

WHAT WE OFFER

The right assets for the brief.

Property Snaps can create individual deliverables or coordinate the media needed for a complete campaign.

01

DAYTIME POOL IMAGERY

Crisp details, pool geometry, water clarity, finishes and garden context.

02

TWILIGHT POOL SHOOTS

Showcase underwater and garden lighting, reflections and the evening atmosphere.

03

AERIAL PHOTOGRAPHY

Reveal the full design, landscaping, surrounds and the connection with the home.

04

VIDEO & MOTION

Short project showcases for websites, social channels and award submissions.

05

SPASA & PORTFOLIOS

Coordinated image selections planned around how projects will be presented.

06

DETAIL & LIFESTYLE

Paving, tiling, outdoor kitchens, alfresco spaces, plantings and design details.

HOW WE WORK

From brief to delivery.

01

TELL US ABOUT THE PROPERTY

Suburb, type, timing, planned channels and the assets you need.

02

AGREE ON THE SCOPE

We confirm the shoot approach, deliverables and the quote.

03

CAPTURE AND CREATE

Photography, aerial footage, drawing or editing according to the brief.

04

READY TO MARKET

Approved files supplied in agreed formats for use across channels.

VISUAL DIRECTIONS

Media with purpose.

Different perspectives are useful for different stories.

WHAT IS YOUR NEXT PROPERTY?

Let’s make it worth looking at.

Share the property suburb, timing and your marketing requirements. We will discuss an approach and prepare a tailored quote.
