WHAT WE BRING TO THE FRAME

Make every listing matter.

Property Snaps creates photography, measured floor plans, drone imagery and video for agents and property managers across Melbourne's south-east. Whether the job is an investment unit or a beautiful family home, we focus on clear spaces, honest presentation and an efficient path from briefing to listing.

SINCE 2006

Local understanding, considered imaging and coordinated media.

WHAT WE OFFER

The right assets for the brief.

Property Snaps can create individual deliverables or coordinate the media needed for a complete campaign.

01

DAYTIME PHOTOGRAPHY

Bright room and exterior photography, edited for online listings and printed marketing.

02

TWILIGHT & DUSK

The atmosphere of a home in evening light, particularly for landscaped or architecturally distinctive properties.

03

DRONE / AERIAL

Grounds, block context, nearby amenities and strong overhead angles where flight conditions allow.

04

MEASURED FLOOR PLANS

Site measurements, 2D layout drawings, optional 3D styling and agency-branded presentation.

05

PROPERTY VIDEO

Walkthroughs, aerial sequences and social-ready edits scoped to the campaign.

06

MARKETING EXTRAS

Graphic overlays, image refinements, virtual furniture and marketing collateral by request.

HOW WE WORK

From brief to delivery.

01

TELL US ABOUT THE PROPERTY

Suburb, type, timing, planned channels and the assets you need.

02

AGREE ON THE SCOPE

We confirm the shoot approach, deliverables and the quote.

03

CAPTURE AND CREATE

Photography, aerial footage, drawing or editing according to the brief.

04

READY TO MARKET

Approved files supplied in agreed formats for use across channels.

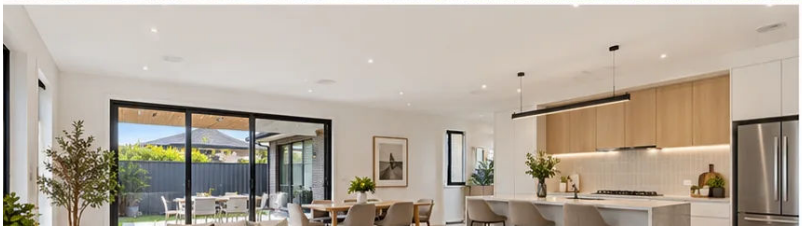

VISUAL DIRECTIONS

Media with purpose.

Different perspectives are useful for different stories.

WHAT IS YOUR NEXT PROPERTY?

Let’s make it worth looking at.

Share the property suburb, timing and your marketing requirements. We will discuss an approach and prepare a tailored quote.
